Bible Doctrine

11/9/15

Lesson 1- Introduction

The word “Doctrine” means “teaching”.

Therefore, Bible doctrines are Bible teachings or teachings found in the Bible.

The study of Bible Doctrines is an attempt to organize the primary teachings that our found in the Bible (e.g., God, Christ, Man, Church, etc.)

A. These teachings are important because God wrote them.

1. The Bible is the only book on earth written by God (2 Tim. 3:16; Isa. 40:8).
2. It is divided into two sections: Old Testament and New Testament.

There are 39 books in the Old Testament and 27 in the New Testament.

There were 40 authors over a period of 1500 years.

3. The subject of the Bible is God.

God desires that we know more about him.

“All we know about the Living Word is the Written Word.”

Cf. Ph. 3:10; 2 Pet. 3:18

B. Therefore, the study of the Bible is not optional for the Christian (1 Tim. 4:15-16, 2 Tim. 3:14-15).

1. The Bible says that a Christian shows his love for God by keeping His commandments.

To obey the Commandments, we must first know them (John 14:15, 21, 23-24, 15:10, 14).

The words “love” and “obedience” are almost identical in the original language.
