

The mystery Babylon (mother of harlots-iniquity) Revelation 17

Sin, transgressions, iniquity what is it?

- Pride, rebellion, stubbornness
- Idolatry and worship of other gods: Jezebel
- Occult: spiritual lust for darkness, knowledge, power
- Sexual lusts: freemasonry
- Bloodlust: murder, hate, rage
- Love of money: discontentment, grumbling
- Bitterness and evil speaking

Deliverance: 1. repent of sins/iniquity (legal permission), 2. destroy works of satan, 3. drive out demonic (strongman first). Once we have truly repented, THEN we have authority to drive out the enemy.

We must ask ourselves: have we truly forgiven everyone from our hearts? Have we truly deeply repented of all our sins/iniquity? Are our lives truly obedient to God's word in every area? If we cannot answer yes to all these, it will not be possible to truly be free from satanic oppression.
