### Jesus BC

*Finding Christ in the Old Testament*

Part 1 - Introduction

#### Christ Eternal: Colossians 1:15-17 (p. 833)

Makes God v \_\_\_\_\_ (Heb. 1:3, John 14:9)

Involved in c \_\_\_\_\_ (Heb. 1:2; John 1:1-4; 1 Cor. 8:6)

Holds \_\_\_\_\_ together (Heb. 1:3)

#### Our approach to this series:

Jesus, as a member of the Trinity, is \_\_\_\_\_.

Jesus, as the “\_\_\_\_\_” representation of God, appeared at times throughout the Old Testament, speaking for God.

Across the Old Testament, \_\_\_\_\_, events, prophesies and even \_\_\_\_\_ point forward to the earthly ministry of Jesus.

#### Did the Old Testament really speak of Jesus?

Jesus said so: (John 5:39; Luke 24:44; Luke 24:25–27)

Paul said so: (Acts 26:22-23)

Peter said so: (1 Pet. 1:10-12)

#### Goals for this series:

Seeing the Bible as one story, with Jesus as the \_\_\_\_\_ figure

Releasing Jesus from His 33-year long \_\_\_\_\_

Deepen our \_\_\_\_\_ of Jesus.
