

THE ORTIZ FAMILY

visit our website!

We would be very honored if you visit our website. Why? We think it is a great way to stay connected with us. We post updates of ministry, pictures, videos, newsletters, and more. From our website you can subscribe to receive our newsletters in your inbox! It's easy and very beneficial. Thank you for your support, prayers, and thoughts. We are thankful that we can be in Mexico and we do not forget your sacrificial giving and your burden for Mexico City.

Our family

Everyone in our family is doing great! Last week Rebekah got her wisdom tooth out. It was a complicated procedure and there were some risks, but everything went well. The doctor was very skillful and she is just fine. Natanya and Santiago are doing very well too. They are best buddies and love each other. She is five and is sweet, generous, and caring. Santiago just turned three and is a funny, smart, loving boy. We are very blessed!

ABUNDANT GRACE PROGRESS

The last couple of months have been a sweet reminder that God still saves, transforms, and redeems lives. We are overwhelmed by how God is working in His church. Since our grand opening on August 14, God has been doing awesome things. We have established a three-fold vision for our church: To study and love God's Word, to disciple believers, and to impact our community with the Gospel. We preach the Bible and only the Bible every Sunday. Many tell us that they have never heard a message like that in their lives. That's incredibly sad but inspiring at the same time. We have the Good News to share with the world! We have had three individuals believing in Christ as their Savior! One lady approached us one night and said, "I believe in Christ, and I know I am sinner, but what do I need to feel to know I am saved?" It is amazing to see the faithfulness of God fulfilling His promises: when we plant the Seed of the Gospel, and faithfully and accurately preach the Gospel, He will make it to produce good fruit! We now are working on scheduling ten people who are interested in discipleship and are already discipling three! We have fifty people that come regularly to church and around fifteen that come to our Bible studies every Saturday. We have several people that are being touched by the Holy Spirit for salvation. Please pray for them, I know they are very close!

NEW SIGN!

Next Friday, October 28, we will have our first sign that will publicly show that there is a church in our location. Until now, we just have a banner that says the name of the church. However, it is getting damaged because of weather, and it is just not what we want. We are thankful that the people are giving generously to pay for this. Please pray that the new sign may be a tool for people to know we are there.

VISION 2017

We are excited to present to our people the vision for the church on Sunday, November 27. We have a full year ahead of us. In the spring, we will celebrate our charter service. Many are already asking about wanting to become founding members of the church. We will have three churches coming to help during the summer. We will have our first missions conference. We will have our first "Preach the Word" Conference in the fall. We will have a weekly audio podcast. We will have PM services. We will have building renovations and more!
