A visit to the ER

On Tuesday, March 29, I went to the ER after several days of having a fever and chills on and off. It turned out that I had an abscess, and the infection had become sepsis, an infection in the blood. I had surgery the following day and stayed in the hospital for five days. I am thankful that I was able to share Christ with many while there. The next couple of weeks I will continue to recover, but I expect no further problems. Thank you for your prayers.

Abundant Grace Baptist

On August 14, 2016, we will be celebrating the first Sunday service of Abundant Grace Baptist church. We are eager for that day and preparations are already underway. Please pray for an affordable location to rent. Please also pray for workers. We are praying for a family to come and join our work in Mexico. Also, pray for souls to be reached.

"Abundant Grace", Acts 4:33

According to Acts 4:33 "abundant or great grace" came to all who were sharing the news of Jesus resurrected. That is exactly why we are in Mexico—to announce that Jesus is risen and enjoy his grace in our lives. February was a great month of sharing the Gospel and encouraging fellow believers to do the same. We had our Valentine's Banquet and over 20 first-time guests came to hear the news of the greatest act of love. Several took home the book "Done" by our pastor Cary Schmidt and the Seed was planted. I started a new class for Sunday School dealing with finances. Also, I started a new series on Sunday nights called "Changing the World with the Gospel". It is a series through the book of Acts and has been quite exciting. In March we organized an event called "Eternal Rock Family." The original idea was to fellowship as a church family. Instead, it turned out to be a great evangelistic campaign. We had over 20 first-time guests that came, and several expressed a serious desire to hear and learn more about the Gospel. Our Easter service was clearly the highlight of the month. We had several visitors, and I was able to preach the greatest news ever told, Jesus is alive! My wife and I invited Filiberto who works at our favorite taco restaurant. We gave him a tract and an invitation to church, and he agreed to go with us even though the service was at 6:30am! Please pray for his salvation. Also, I continue my Bible study with Diego. He has had some personal problems and I feel as if Satan is trying to destroy the Seed. Please pray for his salvation as well. As the work continues, we covet your faithful prayers. Thank you all.
