Way Point – a navigational landmark or GPS coordinate. The term way point reminds us that:

- Jesus is the leader on our JOURNEY (the Way points the way).
- Our JOURNEY should be pointing others to the Way (Jesus).

Way Point: *“God, let me desire You above everything else.”*

Weekly Nugget: The word “I” is used four times in Romans 7.7-12. The word “me” is used three times. But Paul’s use of these words has generated much debate on who the “I” and “me” really is. The best options are: Paul, or Israel, or Adam. I will cover this debate in the daily videos this week.
