### Jesus BC

Finding Christ in the Old Testament

#### *Part 2 – Christophanies: Previews of the Savior*

Christophany: Appearance of a non-physical manifestation of a pre-incarnate Jesus. These appearances show that God always has been and is still **aware, concerned, and involved** in the affairs of mankind.

**Abraham’s three visitors:** Genesis 18 (Guest Bible p. 11)

**God is \_\_\_\_\_!** vv. 1-8 (These were no ordinary visitors)

- Verse 1 sets the stage: “The \_\_\_\_\_ appeared.”
- Abraham \_\_\_\_\_ before these visitors.
- Abraham repeatedly said “My lord”, not “my lords”.

**God \_\_\_\_\_:** vv. 9-21 (Two opposite messages, both from God)

- They (the visitors) knew Sarah’s name, but the Lord spoke her \_\_\_\_\_.
- After a promise of life, the Lord revealed a warning of \_\_\_\_\_.

**God \_\_\_\_\_:** vv. 23-33 (Abraham’s “negotiations” with God)

- God is patient with sinners. He sent angels to “investigate” and allowed Abraham to \_\_\_\_\_ His plans.

#### **Takeaways:**

- Jesus is still aware, concerned, and \_\_\_\_\_ in our day.
- Jesus is still speaking: Are we \_\_\_\_\_?
- God is slow to anger, and He hears our bold yet humble \_\_\_\_\_ for ourselves and our land.
